Each Party and its Subcontractors will maintain reasonable and appropriate administrative, physical, and technical safeguards to ensure the integrity and confidentiality of information exchanged in the performance of services pursuant to this Contract and protect against any reasonably anticipated threats or hazards to the security or integrity of the information and unauthorized use or disclosure of the information in accordance with applicable federal and state laws, rules, and regulations.

6.03 Termination for Cause

The System Agency will have the right to terminate the Contract in whole or in part if the System Agency determines, at its sole discretion, that Performing Agency has materially breached the Contract or has failed to adhere to any laws, ordinances, rules, regulations or

orders of any public authority having jurisdiction and such violation prevents or substantially impairs performance of Performing Agency's duties under the Contract.

6.04 Equitable Settlement

Any early termination under this Article shall be subject to the equitable settlement of the respective interests of the Parties up to the date of termination.

ARTICLE VII MISCELLANEOUS PROVISIONS

7.01 Technical Guidance Letters

Any TGL issued by the System Agency shall be incorporated into the Contract by reference herein for all purposes when it is issued.

All obligations and duties of the Performing Agency not fully performed as of the expiration or termination of this Contract will survive the expiration or termination of the Contract.

Each Party shall make itself familiar with and at all times shall observe and comply with all federal, state, and local laws, ordinances, and regulations that in any manner affect performance under this Contract. - C. The System Agency shall own, and Performing Agency hereby assigns to the System Agency, all right, title, and interest in all tangible Work.
- D. Performing Agency shall keep and maintain under GAAP or GASB, as applicable, full, true, and complete records necessary to fully disclose to the System Agency, the Texas State Auditor's Office, the United States Government, and/or their authorized representatives sufficient information to determine compliance with the terms and conditions of this Contract and all state and federal rules, regulations, and statutes.

- E. This Contract and the rights and obligations of the Parties hereto shall be governed by, and construed according to, the laws of the State of Texas, exclusive of conflicts of law provisions. Venue of any suit brought under this Contract shall be in a court of competent jurisdiction in Travis County, Texas. Performing Agency irrevocably waives any objection, including any objection to personal jurisdiction or the laying of venue or based on the grounds of forum non conveniens, which it may now or hereafter have to the bringing of any action or proceeding in such jurisdiction in respect of this Contract or any document related hereto. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY THE SYSTEM AGENCY.**
- F. If any provision contained in this Contract is held to be unenforceable by a court of law or equity, this Contract shall be construed as if such provision did not exist and the non-enforceability of such provision shall not be held to render any other provision or provisions of this Contract unenforceable.
- G. Except with respect to the obligation of payments under this Contract, if either of the Parties, after a good faith effort, is prevented from complying with any express or implied covenant of this Contract by reason of war; terrorism; rebellion; riots; strikes; acts of God; any valid order, rule, or regulation of governmental authority; or similar events that are beyond the control of the affected Party (collectively referred to as a "Force Majeure"), then, while so prevented, the affected Party's obligation to comply with such covenant shall be suspended, and the affected Party shall not be liable for damages for failure to comply with such covenant. In any such event, the Party claiming Force Majeure shall promptly notify the other Party of the Force Majeure event in writing and, if possible, such notice shall set forth the extent and duration thereof. The Party claiming Force Majeure shall exercise due diligence to prevent, eliminate, or overcome such Force Majeure event where it is possible to do so and shall resume performance at the earliest possible date. However, if non-performance continues for more than thirty (30) days, the System Agency may terminate this Contract immediately upon written notification to Performing Agency.
- H. This Contract, its integrated Attachment(s), and any purchase order issued in conjunction with this Contract constitute the entire agreement of the Parties and are intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter hereof. Any additional or conflicting terms in such Attachment(s) and/or purchase order shall be harmonized with this Contract to the extent possible. Unless such integrated Attachment or purchase order specifically displays a mutual intent to amend a particular part of this Contract, general conflicts in language shall be construed consistently with the terms of this Contract.
- I. Neither party shall assign or subcontract the whole nor any part of the contract, including any right or duty required under it, without the other party's prior written consent. Any assignment made contrary to this shall be void.

- J. This Contract may be executed in any number of counterparts, each of which shall be an original, and all such counterparts shall together constitute but one and the same Contract. If the Contract is not executed by the System Agency within thirty (30) days of execution by the other Party, this Contract shall be null and void.
