SECTION I
CONTRACT TERM

This contract will become effective **November 1, 2024**, and shall remain in effect through **October 31, 2027**. This contract may be renewed for two (2) additional terms of two (2) years each, provided that both parties agree in writing through contract amendment to each renewal. Any renewals shall be at the same terms and conditions, including any approved changes.

SECTION II
SERVICE PROVIDER

Service Provider agrees to perform the following service(s) for TJJD youth:

A. SUBSTANCE USE (SU)

Service Provider will:

1. Maintain licensure as a Licensed Chemical Dependency Counselor (or be actively seeking licensure as a Licensed Chemical Dependency Counselor Intern) or as a Qualified Credentialed Counselor for the full term of this contract, which includes any subsequent renewals/extensions as preapproved by TJJD. Service Provider must be licensed in the State of Texas before any services are rendered pursuant to this contract. All counselors providing services to TJJD youth under this contract must be and remain properly qualified and credentialed while providing services under this contract and be preapproved by TJJD before any services are rendered pursuant to this contract. It is Service Provider's responsibility to provide TJJD with: licensing information upon execution of this contract and upon execution of any renewal amendment, if applicable; a new/renewed/reissued license when issued; and also provide licensing information upon request by TJJD.
2. Review the youth's TJJD assessment, treatment plan, and discharge/transition summary or other treatment records and recommendations for treatment based on the youth's risk and protective factors prior to implementing treatment. Services described in this paragraph are required within the first month the youth is admitted for treatment.
3. Conduct an initial interview with the youth to determine the youth's understanding of the treatment needs identified through the review described in paragraph 2 above and to establish the basis for developing the youth's treatment plan.

4. Work with the written treatment plan provided by the referring staff/facility. Service Provider will develop a treatment plan to continue working toward treatment goals, including the expected duration of treatment. The treatment plan will also explicitly address each of the identified recommendations referenced in paragraph 2 above and be provided to the youth's Primary Service Worker (PSW). The treatment plan shall be completed and filed in the youth's record within **five (5) individual service days** of admission, in accordance with Texas Administrative Code, Title 25, Chapter 448, Section 448.804(f). The treatment plan shall include a written sequence of observable and measurable behavioral objectives designed to address and minimize the youth's risk factors or triggers for reoffending and relapse. The treatment plan shall contain specific strategies to achieve the objectives (group, individual, family sessions, etc.) and shall reference any specific curriculum or treatment program to be used. The treatment plan shall also include a summary of the initial interview and any case notes.
5. Provide evidence-based treatment programming as determined by the youth's individualized level of care needs. Treatment for the youth will also involve evidence-based Relapse Prevention curricula approved by the Manager of SU Specialized Treatment.
6. Provide the following:
 - a. Services Provider may provide up to ten (10) sessions. A request to schedule additional sessions may be approved by the chief local administrator. If group services are preferred, but not feasible because there are not enough youth available, Service Provider shall include individual treatment services. Individual services shall be for a minimum of one (1) continuous hour per month. The one (1) continuous hour should be at least fifty (50) minutes of treatment services and ten (10) minutes of case management. The individual treatment services shall not exceed one (1) continuous hour per week, unless it is mutually agreed upon by both Service Provider and the designated TJJD staff member to provide additional individual treatment services for up to two (2) continuous hours per week. Group services shall be a minimum of one and a half (1.5) continuous hours, but not more than three (3) continuous hours per week. Additional time requires prior written approval from TJJD.
 - b. Services are to be provided in Service Provider's office, identified service area/region or a TJJD facility.
 1. If services are to be provided in the youth's home, a safety plan shall be approved by TJJD prior to services beginning. If services are provided in the home, this type of service location shall have been determined relevant and necessary to meet the youth's needs.
 2. If services are provided through telehealth, prior approval by TJJD is required before services begin. Telehealth services location will be in-office and shall have been determined relevant and necessary to meet treatment needs of the youth.
 3. If services are provided through the telephone, prior approval by TJJD is required before services begin. Telephone services location will be in-office and shall be determined relevant and necessary to meet treatment needs of the youth.

 - b. Summary of the youth's participation in clinical services provided;
 - c. Copy of the youth's treatment plan that summarizes the youth's movement towards completing the objectives stated, participation in services provided, relevant behavior, and barriers identified;
 - d. A copy of the revised treatment plan for the next month with revised objectives, strategies, or approaches;

- e. Documentation of all collateral contacts made; and
 - f. Copies of either dated and completed weekly sign-in sheets (**Exhibit D**) showing the printed name and signature of each youth and Service Provider conducting the session or copies of TJJJ group attendance logs, as determined by program type.
 - g. Telehealth session copies must include dates, completed session and service provider's name conducting the session.
 - h. Telephone session copies must include date, completed session and service provider's name conducting the session.
8. Ensure that if group sessions are required, they shall be preapproved and group size limited to a maximum of eight (8) youth. Service Provider must provide adequate facility space for services which affords confidentiality of group members. If space is determined to be inadequate, TJJJ reserves the right to remove youth from the program.
 9. Communicate the youth's treatment schedule to the designated TJJJ staff member. The treatment schedule should be based upon information from the Specialized Aftercare Services Referral Packet Checklist and Approval form (CCF-809) that will be provided by TJJJ. Submit schedule changes and attendance sheets to the designated TJJJ staff member showing those youth present and absent from sessions on a weekly basis, including the signatures of both youth and Service Provider.
 10. Contact the youth's PSW after one (1) missed appointment. Discharge the youth from service after two (2) missed sessions within one (1) month or a total of three (3) missed sessions and notify the designated TJJJ staff member within 24 hours of discharge.

However, Service Provider is required to first seek payment through Medicaid, if Service Provider is a Medicaid provider, for Medicaid covered services provided to TJJJ youth who are Medicaid recipients and/or by filing insurance claims for TJJJ youth who have insurance coverage. Prior to approving service provisions for serving a particular TJJJ youth or his or her family, Service Provider must submit a billing plan indicating whether Medicaid, private insurance, or TJJJ will be billed for each service. Invoices submitted to TJJJ for payment will be reviewed and returned with a reminder to bill the appropriate party if services are determined to be reimbursable by Medicaid (if a Medicaid provider) or private insurance.
2. Service Provider shall provide services in the counties within its Service Area as identified in the Specialized Aftercare Application. Services are defined as in office, out of office, in-home services, telehealth and telephone services. Out of office services may include TJJJ institutions, halfway houses, and parole offices.

ten (10) working days from the last day of the month for which payment is requested. If a claim is rejected by Medicaid and/or the insurer, Service Provider shall submit an invoice for payment of the claim with the required backup documentation and evidence of claim rejection to the designated TJJD billing location no later than ten (10) working days from the date of notification of rejection. All invoices shall contain the name and TJJD number of the youth for whom services were provided, the date said services were provided, and a description of the services rendered. Completed sign-in sheets (**Exhibit D**) and monthly progress reports shall be included with the invoice as backup documentation. If the invoice or backup documentation is erroneous or incomplete, it will delay the processing of the invoice. Payment will be made in accordance with Chapter 2251 of the Texas Government Code.

4. **Travel:** Service Area is defined as the area in which Service Provider provides services without travel charges. All requests for travel require written approval from the Parole Supervisor or Regional Manager in advance. Mileage is reimbursed at a rate of \$0.50 per mile.

Service Provider may bill no more than one (1) hour for these services.

TJJD may conduct an on-site review, a desk review, or both during the term of this contract. Prior to any review, TJJD will provide a monitoring form describing the areas to be monitored and

Prison Rape Elimination Act (PREA) and Preventing Sexual Misconduct Policy Overview and Training Acknowledgment for TJJD's Contract Service Providers

The Prison Rape Elimination Act (PREA) was created to eliminate sexual violence within corrections. PREA mandates apply to all TJJD institutions, community-based corrections, and contract facilities. TJJD volunteers and service providers are also subject to this law. Among other things, PREA establishes a **zero-tolerance standard** for sexual violence in corrections in the United States and increases the accountability of officials who fail to *detect, prevent, reduce, and punish* sexual violence. It was also established to protect the Eighth Amendment rights of federal, state, and local prisoners, or in our case, the youth. Sexual abuse of persons in custody is cruel and unusual punishment—a violation of our nation's Bill of Rights.

TJJD Policies

- **GAP 380.9337. Zero Tolerance for Sexual Abuse, Sexual Activity and Sexual Harassment** is TJJD's zero-tolerance policy for any form of sexual abuse or sexual harassment of youth under TJJD jurisdiction. This rule describes prohibited conduct and behaviors that are broader than those established by statute as violations of law. This rule sets forth standards for reporting and investigating alleged sexual abuse of TJJD youth. This rule also addresses screening and housing placement procedures for youth who may be potential victims or perpetrators of sexual abuse.
- **PRS.02.09. Staff/Youth Relationship** states that the nature of the relationship of TJJD staff, service providers, or volunteers and youth is of critical importance in efforts to influence youth in a positive manner. Employees and volunteers found to have engaged in any prohibited behavior when interacting with TJJD youth are subject to disciplinary action. Service providers found to have engaged in any prohibited behavior when interacting with TJJD youth will result in the termination of their contract and criminal investigation.
- **GAP 380.9301. Basic Youth Rights** states that TJJD recognizes that each youth in the TJJD system has certain basic rights, including the right to protection from physical and psychological harm.
- **GAP 07.03. Incident Reporting** states that critical incidents must be reported immediately to the Office of Inspector General Incident Reporting Center (IRC) and a written report must be provided to the Chief Local Administrator. Critical incidents include alleged sexual abuse of a youth, alleged sexual misconduct by a youth, and other incidents.

- **GAP 380.9333. Alleged Abuse, Neglect, and Exploitation** provides for the investigation of allegations of abuse, neglect, or exploitation in programs and facilities under TJJD jurisdiction. This rule provides standards for investigations and for the compilation of investigation information.

You must report all suspected incidents of abuse, neglect, and exploitation immediately. There are no consequences for reporting alleged misconduct. TJJD cannot retaliate against a staff, volunteer, or contractor for reporting alleged abuse, neglect, or exploitation of a youth. You are required by law to report.

Report allegations of misconduct to the Incident Reporting Center by emailing TJJD.IRC@tjtd.texas.gov or by calling a 24-hour-a-day toll free hotline 1-866-477-8354.

**Prison Rape Elimination Act (PREA) and Preventing Sexual Misconduct Policy
Overview and Training Acknowledgment for TJJJ's Service Providers**

As part of the contractual agreement with the Texas Juvenile Justice Department (TJJJ), and to be in compliance with the Prison Rape Elimination Act (PREA) standards, I certify and acknowledge that I have read and understand the contents of this document provided to me regarding the purpose of PREA, TJJJ's Zero Tolerance policy, and my reporting responsibilities regarding suspected and or known incidents of sexual abuse, sexual assault and sexual harassment. 73. State Auditor's and TJJJ's Right to Audit

Pursuant to Section 2262.154 of the Texas Government Code, the state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under any contract or indirectly through a subcontract under the contract. The acceptance of funds by Service Provider or any other entity or person directly under the contract or indirectly through a subcontract under the contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. Under the direction of the legislative audit committee, Service Provider or other entity that is the subject of an audit or investigation by the state auditor must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit. Service Provider shall ensure that this paragraph concerning the authority to audit funds received indirectly by subcontractors through the contract and the requirement to cooperate is included in any subcontract it awards.

Service Provider shall maintain and retain supporting fiscal documents adequate to ensure that claims for contract funds are in accordance with TJJJ and State of Texas requirements. Service Provider shall maintain all such documents and other records relating to this contract and the State's property for a period of seven (7) years after the date of submission of the final invoices or until a resolution of all billing questions or contract issues, whichever is later. Service Provider shall make available at reasonable times and upon reasonable notice, and for reasonable periods, all information related to the State's property, such as work papers, reports, books, data, files, software, records, and other supporting documents pertaining to this contract, for purposes of inspecting, monitoring, auditing, or evaluating by TJJJ, the State of Texas, or their authorized representatives. Service Provider shall cooperate with auditors and other authorized TJJJ and State of Texas representatives and shall provide them with prompt access to all of such State's property as requested by TJJJ or the State of Texas. Service Provider's failure to comply with this provision shall constitute a material breach of this contract and shall authorize TJJJ to immediately terminate and/or assess liquidated damages to the extent allowed by Texas law. TJJJ may require, at Service Provider's sole cost and expense, independent audits by a qualified certified public accounting firm of Service Provider's books and records or the State's property. The independent auditor shall provide TJJJ with a copy of such audit at the same time it is provided to Service Provider. TJJJ retains the right to issue a request for proposals for the services of an independent certified public accounting firm under this contract.

The contract may be amended unilaterally by TJJJ to comply with any rules and procedures of the state auditor in the implementation and enforcement of Section 2262.154 of the Texas Government Code.

Should Service Provider subcontract any of the services required in this contract, Service Provider expressly understands and acknowledges that in entering into such subcontract(s), TJJJ is in no manner liable to any subcontractor(s) of Service Provider. In no event shall this provision relieve Service Provider of the responsibility for ensuring that the services performed under all subcontracts are rendered in compliance with this contract.

75. Survival

Expiration or termination of the contract for any reason does not release Service Provider from any liability or obligation set forth in the contract that is expressly stated to survive any such expiration or termination, that by its nature would be intended to be applicable following any such expiration or termination, or that is

necessary to fulfill the essential purpose of the contract, including without limitation the provisions regarding warranty, indemnification, confidentiality, and rights and remedies upon termination.

Termination is not an exclusive remedy, but exists in addition to any other rights and remedies provided in equity, by law, or under this contract. TJJJ may exercise any other right, remedy, or privilege available to it under applicable law or may proceed by appropriate court action to enforce the provisions of this contract. The exercise of any of the foregoing remedies will not constitute a termination of this contract unless TJJJ notifies Service Provider in writing prior to the exercise of such remedy. Service Provider shall be liable for all costs and expenses, including court costs, incurred by TJJJ with respect to the enforcement of any of the remedies listed herein.

81. Unfair Business Practices
