**RECITALS**

The purpose of this Agreement is to establish the general conditions and joint process that will allow TBN to install equipment ("Equipment") enabling the Department's correctional institutions ("Facilities") to receive and retransmit TBN's television programming ("Programming") throughout the Facilities.

**I. Term of Agreement**

This Agreement shall begin on the date on which it is signed by both parties and shall continue in perpetuity unless cancelled as provided herein.

**II. Scope of Agreement**

The Department and TBN agree to carry out their respective responsibilities and promises outlined below, subject to controlling law.

**III. Consideration**

The parties acknowledge that the consideration for the Agreement shall be TBN installing the Equipment and providing the Programming at its sole cost and expense in exchange for the Department making the Programming accessible to inmates.

**IV. Responsibilities and Promises of the Parties**

**A. Department**

1. Provide the appropriate security clearance to technicians to access the Facilities, so long as technicians are approved by Department in accordance with the terms of this Agreement.
2. Provide appropriate access for approved technicians into the Facilities for the purposes of installation, instruction, and/or repair of the Equipment.
3. Identify the designated locations for the Equipment.
4. Inform inmates that TBN Programming is available and how they may access/view TBN Programming.
5. Retransmit the Programming 24 hours a day, 7 days a week, to televisions and/or video monitors that can be viewed by the inmate population.
6. Department shall not have the right to charge any fee or admission for viewing the Programming.

7. The Department shall not use the Equipment in any manner that would interfere with TBN's Programming being the only Programming retransmitted by the Equipment, or that would result in the discontinuation of TBN Programming.

8. The Department agrees to notify TBN regarding any maintenance that must be performed on the Equipment to ensure it is in safe operating condition. The Department further acknowledges that TBN shall not be responsible for any routine maintenance inspections of the equipment whatsoever. The Department shall not have any duty whatsoever in relation to the Equipment, its maintenance, or its repair.

9. TBN grants the Department permission to record TBN Programming for the sole purposes of replaying the Programming at a different time or storing selected programs in the chapel library so they can be replayed for inmates. The Department shall not have the right to edit, in any way, any portion of the Programming or recorded material.

**B. TBN**

1. Provide appropriate security information to the Department on all technicians or other workers who will seek access to one of the Department's Facilities. TBN or the 3<sup>rd</sup> party contractor shall provide this information sufficiently early so that the Department can complete a security clearance.

2. TBN shall install the Equipment in the Facilities at TBN's sole cost and expense.

3. Upon the request of the Department, TBN agrees to repair the Equipment during the term of this Agreement at TBN's sole cost and expense. TBN further agrees to modify or adjust the Equipment, at its sole cost and expense, if the source of the Programming changes for any reason. However, this Agreement shall terminate if TBN cannot modify the Equipment to receive the Programming within a reasonable time or for a reasonable cost.

4. TBN shall retain full ownership of the Equipment.
